Pro Parenting Tips

Model Good Behaviour in Your Child by Becoming an Example Yourself!

Children often imitate the behaviour of their parents. If you want your children to be kind, respectful, and polite, make sure you display these behaviours yourself. Children learn by watching adults. Show them the behaviour you expect, and they will likely follow suit.

For example – If you want to instill regular reading habits in your child than instead of just asking them to read, read with them.

Here's How Chetan Bhagat Encourages more people to participate and win the SOF Olympiad Awards!

Dipak Misra – Former Chief Justice of India inspires young minds to win the SOF Olympiad Awards!

KNOW YOUR GEOGRAPHY – TRIVIA TIME

SCIENCE ZONE

New fungus discovery could stop deadly yeast infections

Scientists in Oregon have discovered a new species of yeast that can prevent Candida infections, a common yeast that can lead to deadly conditions, including candidiasis.

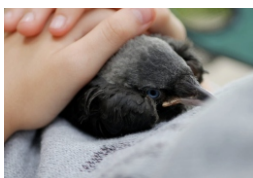

Yeast that can save 2 lakh lives per year! Human gut samples play a major role!

Initial human gut samples hint at its ability to compete with Candida species, signalling promise for improved treatment options against invasive candidiasis.
